

Highly Motivated B2B Marketing Associate / Appointment Setter

We have opportunities for two Marketing Associates-Appointment Setters to join our team! We are a supportive and fun company with an outstanding reputation and are currently seeking several exceptionally motivated individuals who have a superior work ethic

The latest additions to our highly professional team will assist in Phone Based Marketing and Appointment Setting on behalf of our clients on a regional and national basis.

You will therefore be able to work not only in a team environment but also autonomously. We help our customers grow their businesses and create jobs in this challenging economy.

Ideally you have:

- Excellent verbal and written communication skills
- Good Computer Skills
- Strong Work Ethic
- Good Organizational Skills
- Experience with a Cloud Based CRM would be very beneficial
- ***You are driven to make a difference!***

The role will see highly motivated individuals working part time between 12 - 24 hours per week both from our office and remotely with a somewhat flexible schedule.

If you are excited at the prospect of growing with our expanding business that supports commercial service & technology providers expand their market presence, please submit your resume to carol.bartz@lmi360.com.

Thank you for considering LMI360, a locally owned and operated company as your career path.
